From the Editor's Desk

Another great show has wrapped up for the year. Whew! I don't know about you, but I am feeling muscles I haven't felt in years! A big thanks to all who helped during the big event. The crowd turnout was really good. I heard nothing but good things all weekend.

Hope everyone was able to make it down and look at the great exhibits done by our YNs. Congratulations, Christopher Underwood, on your win!

Hard to believe, but the holidays are fast approaching. And with them, comes our double auction at the November meeting, the banquet in December and YN Auction in January.

YNs be sure you get all your assignments turned in. If you don't have one, please let me know and I'll get you copies of the ones you're missing.

See everyone at the meeting.

Present: Kathy Kirwin, Judy Carman, Jim Carman, Nancy Redman, Jim Griffin, Shirley Nicholson, Bob Nicholson, Tim Cummings, Mike Rude, Jim Guy and Bunny Guy.

Meeting called to order by our president Nancy Redman at 6:07 p.m.

2015 year's presentation:
November-Double Auction
December – Banquet

2016 year's presentation:
January – YN Auction

Judy – Shirt order has been turned in. We did get a price break on the embroidery and screens.
The shirts should arrive Oct 21.

Pizza – Incredible Pizza manager, Zach Martin, says Incredible Pizza donates to different events in town. He has offered some of their cards to our coin club. We believe they are game cards. Jim and Judy will go by and pick up the cards. Zach Martin has read our newsletters and has offered to match our present pizza cost and is working on the possibility of delivering the pizzas. After discussion it was decided if the pizza size is the same and delivery is possible this would be a good idea. They can also provide gluten free and low carb pizzas. We will try the Incredible Pizza during the January meeting.

Show – Jim Carman presented details on using the Relics Facility. The cons to using the facility are electrical use, loading and unloading, and having a show alone vs. next to another event i.e. antiques or gun show. Lots of discussion concerning different ways of advertising the coin show. Lots of great ideas were brought up.
We need people with pickup trucks to help load and take items to and from the Discovery Center.

WOW – Tables/chairs – Watching over Whiskers organization plans to have an event at the Discovery Center. They would like to borrow our tables and chairs during the event. They are planning on 250 people. Nancy will call and let them know we do not have enough tables and chairs for their event. If they would like to use our tables and chairs we will need a contract discussing usage, reimbursement for any damage that may occur and liability. The table and chairs will need to remain at the Discovery Center.

By-Laws – The By-Laws have been edited. Kathy will review the edits and make all appropriate changes. The By-Laws will be printed at Office Depot. Tim made a motion to have 100 copies printed. Jim Carman seconded the motion. The motion carried.

Ina May – Ina May is in the hospital. Nancy will find out which hospital and send a card from the coin club.

Golden Eagles

On October 8, the Golden Eagles met at the Golden Corral on North Kansas Expressway. Attending were Judy and Jim Carman, Shirley and Bob Nicholson, Linda and Chuck Loyer, Pat and Jim Wells, Betty and Robert Grace, Bunny and Jim Guy, Jim Griffin, Harry Waterson, and Nancy Redman for a total of 15.

Harry shared a plaquette from the National Oratorical Contest concerning the Constitution. Every finalist was awarded this plaquette. YN Chit Chat

Hope everyone had a chance to attend the October Coin Show. I would like to thank everyone who helped made the show a success.

Judy and Jim Carman did a great job of planning everything, as usual! Mr. and Mrs. Nicholson did an awesome job of feeding everyone. I especially want to thank my fellow YNs for helping out.

I would like to thank Ed Porter for the excellent program on coins and how to recognize their value.

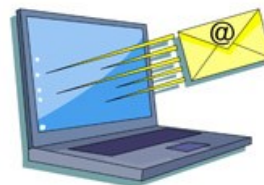

I hope everyone got to hear Kyra DeByle's talk on animal coins. She did a really good job.

Don't forget, if you've missed any meetings, the show can be used as a make up meeting. In December our new year starts, so be sure you have all of your lessons in by then.

See everyone at the next meeting.

Before leaving we change our Won into Yuan so we can visit our next country which is _____.

Due south is a sliver of a country, _____, which uses Dong as their currency and carries a lot of memories for millions of America's service men and women.

Boarding our plane, off we go due west to _____ where we must change our Dongs into the local currency, called Rupees.

Next is a long trip southwest to _____ where the Rand all carry images of their exotic animals.

Another long flight across the Equator, this time to the west-northwest to _____ where we will need lots of Cruzeiro before next year's summer Olympics.

Just a short flight northwest lies the country of _____, whose currency is the Bolivar after the Father of their country, Simon Bolivar.

Off again, we next arrive in _____ which has a dual currency, the U.S. Dollar and a Balboa, named after a famous explorer.

Changing directions, we now fly northeast to the island nation of _____, where the Gourde is the local currency.

Door Prize Winner

Sunday, a very excited little girl won a door prize. When 6 year old Elaina Beeson, of Gladstone, came to collect her 1960 MS67 Jefferson Nickel, she couldn't contain her excitement.

Elaina could not stop smiling or jumping up and down over the fact that she had won a door prize! Elaina and her family were in town to visit her grandfather, one of the vendors at our show.

Congratulations, Elaina. We hope you enjoy your coin. Your excitement and the smile on your face is why we do what we do.

Bombay Hook National Wildlife Refuge Quarter

In 1937, Congress designated Bombay Hook a national refuge. Stretching eight miles along the Delaware Bay, it covers 16,000 acres of land and is a refuge and a breeding ground for migrating ducks, geese, shorebirds and other wildlife during their spring and fall migrations. Tired and hungry between Canada and the Gulf of Mexico, these birds seek shelter at Bombay Hook and feast on marsh grasses, fish and other foods before continuing their flight.

Here are some fun facts about Bombay Hook:

- It hosts freshwater pools, swamps, upland forests, agricultural fields and one of the largest unaltered tidal salt marshes in the Mid-Atlantic region.
- The refuge offers a 12-mile wildlife drive, five walking trails, three observation towers, wildlife photography, and hunting and fishing opportunities.
- It is also home to the Allee House, an 18th Century farmhouse listed on the National Register of Historic Places.

The obverse design features a great blue heron in the foreground and a great egret in the background.
