Editor's Corner

February is here and gone. I hope everyone had a good month. We're in the middle of scholarship applications. And it seems like every one of them wants to know about Dillon's volunteer work. While we were sitting and trying to think of the things he has done, it reminded me that all organizations run on volunteer work. The Ozarks' Coin Club is no exception.

We are always in need of people to help us do ***something***. And you could be the person to provide the ***something*** we need. No matter what skills you have or your age, we have ***something*** you can help with. Basically, if you see a need, and want to fill it, please do so.

To paraphrase JFK, "Ask not what your 'club' can do for you, ask what you can do for your 'club'."

I hope to see everyone at the next meeting! Until then, stay warm and stay dry.

Our monthly meeting was held at the Discovery Center.
Social hour began promptly with pizza from Incredible Pizza. Thank you to Nancy S and Bunny G for managing the set up and tear down of the food. Thank you to Juan A and Erma B for bringing the dessert. There were 44 adults and 22 youth present, for a **total of sixty-six (66).**

The meeting was called to order at 6:36 p.m. by our President Nancy R.

Nancy welcomed everyone.

Ed wass ill so we did not have a presentation. He will give his presentation in March.

Please pay your dues. You lose your membership privileges if your dues are not paid.

Nancy read the by-law change concerning holidays. If the club meeting lands on a national holiday the club meeting will move to the following Tuesday. Motion carried by a show of hands.

Nancy read the by-law change concerning the business order. Please refer to the Flying Eagle. We will vote on the business order in March.

Nancy introduced our visitors. Julie K and her son Charlie S. She also introduced Rick D.

Nancy reminded everyone the election is coming up. All job positions are listed in the resource book. We would love to hear about any of our members' collection as a presentation or a particular numismatic interest. Please notify a member of the board if you would like to give a presentation.

Carrie B mentioned the Titanic museum in Branson has coins on display from the wreckage. The club may want to consider a trip to Branson to view the coins.

Please let us know if you have an idea for a club trip.

Jim G gave out a birthday gift to Eli C. He recognized Stephanie S for contributing an article to the YN Sider.

St. Charles trip will take place on July 26. We will need to know as soon as possible how many people would like to ride the bus to St. Charles for the coin show.

Jim G is collecting the ANA forms he handed out last month and information on coins for "A's".

Jim has the application forms available for YN scholarship for Summer Seminar. Summer Seminar will be in June this year. We must turn in the application before the end of March so we can receive a discount on the fees. All applications will be approved by the board.

Coin of the Month

American Memorial Park Quarter

American Memorial Park in the Northern Mariana Islands honors the American and Marianas people who gave their lives during the Marianas Campaign of World War II.

The Marianas Campaign is known as one of the most decisive battles of the Pacific Theater. On July 9, 1944, U.S. Forces secured Saipan, the largest of the Northern Mariana Islands, to cut off vital Japanese supply and communication lines.

American Memorial Park features a Court of Honor, which displays the American flag in the center of the Flag Circle, surrounded by the Navy, Marine Corps, Army, and Coast Guard flags. The Court of Honor also features 26 granite panels that display the names of the 5,204 service members who died.

Reverse: Depicts a young woman in traditional attire in front of the Flag Circle and Court of Honor. Her hand rests on the plaque honoring those who died in the liberation of Saipan.

Obverse: Features the portrait of George Washington by John Flanagan, used on the quarter dollar since 1932.
