## Editor's Corner

Not only has August brought warm weather to all of us, it's brought continued plumbing issues and flooding issues to my office, as well as a sprained wrist for me! Now we get to add back to school stress! I don't know about the YNs in your house, but mine is already behind...and it's only the first week of school! I think this might be his busiest year yet! He's on the board for several clubs, has several contests on the horizon and was cast in a play. Even though it's dear to me, I'm thinking I am glad that FFA was left in the dust this year! This year will culminate in his greatest achievement yet – GRADUATION! I'm ready, bring it on! I hope your YNs have a stellar school year!

Remember we have no regular meeting in September. Instead we have our annual picnic. Come let off some back to school stress, and have some numismatic fun, at the same time! Hope to see you there!

## Golden Eagles

On August 10, the Golden Eagles met at the Golden Corral on North Kansas Expressway. Attending were Judy and Jim Carman, Nancy Squibb and Russ Samay, Bonnie and Don Eggerman, Betty and Bob Grace, Pat and Jim Wells, Bunny and Jim Guy, Erma and Jim Brown, Linda Loyer, Kathy Kirwin, and Nancy Redman for a total of 17. Jim Wells received "America's First Medals" set that Harry donated.

We missed Harry as he was fulfilling grandpa duties visiting his new grandbaby. Congrats!!

Kathy entertained us with a new way to collect a U.S. type set. She shared plaques that are 2 ¼ X 1 3/8 and 1/8 inch thick that are called "Numistamps". They are replicas of the 117 coins normally found in a United States type set in uncirculated condition. The alloy of each Numistamp is the same as the coin represented and were designed by Mort Reed. Thank you Kathy for a very informative and interesting topic.

We will get together again on September 14, 2018, at 1:00 at Golden Corral on North Kansas Expressway.

Reminder: We will NOT have a regular meeting this month. Meet us at Ritter Springs Park on Sept. 8th for our annual picnic!

The bus trip to St Charles went quite well. There were 20 passengers including six YNs. The bus was a 33 passenger, appeared new, and was very comfortable. Our YNs bought some nice items and seemed to "work" the dealers pretty well. Dinner was at the Mo Hick BBQ in Cuba, which everyone seemed to enjoy. Hopefully more members will sign up next year.

## Jim Thorpe Native American Dollar

The 2018 Native American \$1 coin features Olympian and all-around athlete Jim Thorpe. James Francis “Jim” Thorpe (1888-1953), was born near Prague, Oklahoma, in what was then Indian Territory. Raised in the Sac and Fox tribe, he was given the native name Wa-Tho-Huk, meaning “Bright Path.” Jim Thorpe became possibly the most versatile natural athlete of the early 20th century. After a difficult youth, Thorpe came into his own at the Carlisle Indian Industrial School in Carlisle, Pennsylvania, where he excelled in football and track. He played football in college, and went on to win a national collegiate championship.

In 1912, Thorpe represented the U. S. at the Summer Olympics in Stockholm, Sweden, competing in the new Pentathlon and Decathlon as well as two field events. He easily won both multi-event medals. His point record stood for two decades.

Thorpe then embarked on an incredibly varied career with the public flocking to his professional appearances in football, baseball, and basketball. He played for six teams in what later became the National Football League. In baseball, he played for the New York Giants, the Cincinnati Reds, and the Boston Braves. He also organized an all-Indian football team. Today, sports writers rank him at the top of their lists of greatest athletes of the 20th Century.
