Oct. 27-28, 2018 in Springfield, Mo.

We start every meeting with a socializing period from 6:00 p.m. to 6:30 p.m. At 6:30 p.m., we start our membership meeting that consists of: Door Prize Drawings (Junior and Adult), General Business and a Short Program. We have a Live Auction (must be a member to enter items in the auction & limit of 5 items per meeting) that begins at 7 p.m. YNs have their own meeting at during the auction. We like to dismiss before 8:45 pm if at all possible.

## Editor's Corner

If you weren't able to make it to the picnic, you missed a wet but fun time. We had a large crowd join us for the damp festivities. Other than having to move the games, you would not have known it had rained. Here's to drier weather next year.

Our annual show is coming up in a few weeks. Our show doesn't run itself. It runs on volunteer labor. And we need you to be that labor. So be thinking of how you can help out. We need set up and take down help; help to man the door and the registration table; and to man the YN area. A sign up sheet will be around at the meeting.

Hope to see you at the meeting and the show.

Dyan

## Ozarks' Coin Club Minutes

September 8, 2018

Our monthly meeting was held at Ritter Springs Park for our annual picnic. There were 33 adults and 16 youth present, for a **total of forty-nine (49)**.

The day started at 10:00 a.m. at the park with rain. The rain stopped for awhile and then restarted.

As you see by the attendance we had many members brave the weather.

Thank you to Ed Mayer and Mike Rude for standing in the rain to grill the meat. It was yummy. As usual our club members did not disappoint with the sides brought to share. We had a wonderful variety of food to enjoy.

We are so lucky for the size of the pavilion. Jim Guy moved all of the games into one end of the pavilion and our wonderful YNs went with the flow of the day.

Through my eyes it appeared everyone had a good time. Before I knew it, we were packing up and leaving the park. It was 2:00 p.m. and the rain was an intermittent drizzle to nonexistent.

Thank you to all of you who braved the weather and joined the picnic. We missed all our other members who were not able to attend.

### The Picnic

Many thanks to everyone who helped or attended our annual picnic. It was a success despite the rain. Hope everyone had a good time.

Jim Guy  
OCC Advisor

### Coin Show Exhibits

It's getting close to SHOW time. That also means exhibit time. YNs and adults are encouraged to do an exhibit. This year display cases will not be handed out early. They will only be available at the show to those who have signed up for one. Exhibits need to be assembled on Fri or Sat morning. There are 10 exhibit cases available. Let me know at our next meeting if you want to reserve a case. You will need to sign for a case when you get one. There will be just one key provided with each case.

### Missing Display Cases

Prior to last year's coin show we had 12 display cases. We now have only 10. If anyone has a display case, please let Jim Guy know.

## Golden Eagles

On September 14, the Golden Eagles met at the Golden Corral on North Kansas Expressway. Attending were Nancy Squibb and Russ Samay, Bunny and Jim Guy, Jim Brown, Kathy Kirwin, Harry Waterson, and Nancy Redman for a total of 8. Bunny Guy received "America's First Medals" set that Harry donated.

Harry presented a 1923 medal from Bureau of Mines that was similar to one that he previously shared with us. It concerns a mine rescue and the medal was for a lifesaving contest. He then enlightened us with the Audubon Artists Gold Medal of Honor. This item was cast bronze designed by Kilenyi between 1945-1955. About 1956 a smaller bronze silver plated medal replaced it. This was designed by Mario Cooper. Thanks again Harry for your presentation.

Congratulations to the new grandpa!!!!

We will get together again on October 12, 2018, at 1:00 at Golden Corral on North Kansas Expressway.

## Breast Cancer Awareness Commemorative

Every year, thousands of women and men are diagnosed with breast cancer. Thanks to earlier detection, increased awareness, and improved treatment, death rates from this disease have been decreasing since about 1989. Clinical

advances resulting from research have led to increased survival rates, with death rates dropping over 34 percent since 1990.

The Breast Cancer Awareness Commemorative Coin recognizes the many Americans who are impacted by the disease and the effort to prevent it through research.

Reverse: Design depicts a Tiger Swallowtail butterfly in flight, a symbol of hope. Only the denomination changes between the three coin reverses.

Obverse: Design features two women. The older woman has her hands on her chest and a relieved expression on her face. The younger woman, with a scarf on her head, holds one hand over her chest and the other raised in a fist as if she is ready to fight. A butterfly flies above the two women.
