

# APRIL 2020

# Flying Eagle

## FROM THE EDITORS

Like every other group I belong to, we had to make some TEMPORARY changes to our monthly newsletters. COVID-19 has forced us to adapt and challenged us to do things differently. And boy was it a challenge! And not just one, but MANY!

While I was deemed essential at work, my desk was needed for a temporary employee. So off to work at home, I went. But even with a travel letter for work, I couldn't figure out how to say it was a necessity that I go to Office Depot for our newsletter. So, Dillon and I got creative. Mom convinced me to go back to my roots in newsletters. Which was a good move on her part. Dillon and I might be 'computer poor', but we discovered that only one has Publisher on it and only one is hooked to a printer....and it was not the same computer. So, we are majorly changing our format so that I can print this on my printer. But this too, we shall overcome!

During this strange and trying time, I've seen (and heard) things that would bring a smile to your face and hope to your heart. I've been reminded that it is the small things that count. Sometimes it's a smile, a kind word or even something someone you spoke to from the other side of the state said that you found funny.

By sticking together, we'll get through this. Remember our May meeting is cancelled. Hope to see everyone soon. Until then stay safe and keep collecting.

Dyan & Dillon

## COIN OF THE MONTH 2020 Native American \$1 Coin

Reverse: The 2020 reverse depicts Alaskan Elizabeth Peratrovich, whose advocacy helped pass the nation's first anti-discrimination law.

Obverse: The dollar coin's obverse design features Sacagawea.

**REMEMBER MAY'S MEETING HAS BEEN CANCELLED.**
