for Oct. 27-28, 2012 in Springfield, Mo.

We start every meeting with a social hour at 6:00 p.m. to 6:30 p.m.
At 6:30 p.m. our auction begins. Then at 7:15 we start our membership
meeting that consists of: Door Prize Drawings (Junior and Adult),
General Business, Short Program, and Live Auction (must be a member
to enter items in the auction & limit of 5 items per meeting).

YN's have their program with Mr. Guy at every meeting.

Like to dismiss before 8:45 if at all possible.

YN CORNER

10 YN's attended the Feb meeting.
12 assignments were handed in.

Coin Search:

There were no 2012 coins brought in by the YN's.

YN's are encouraged to bring a friend to a meeting
and earn a YN dollar.

YN program involved Andrew tutoring
Chad and Zach (new YN's) on using the
World Coin catalog, to prepare them for the
April assignment. Foreign coins were
handed out so the YN's could do their research.

All B.S. *Written entirely by Bob Stewart, President Ozarks' Coin Club*

I'm a little short on B.S. this month. That's something my employees at Snap-on would have never thought could happen.

Annette and I just got back from the Carthage show. I managed to complete my Jefferson nickel collection finally by finding a 2008-S. It is a \$4.00 coin but it took about a year to find one. I also bought birth year proof sets for both my grandkids. Many OCC members were there and I hope they found some good stuff for their collections.

I plan on making a trip to the Newman Money Museum in St. Louis next week. It may be a good location for a field trip the summer. Does anybody have other ideas? We will do the bus again this year to St. Charles Coin Show. And it has even been suggested we look at one for the Dallas ANA show. Anybody have any thoughts on that?

Moving the Golden Eagles to the Golden Corral on the south side of Springfield worked well. Everything I heard was positive and I think we will continue meeting there.

I am hopeful that our Evaluation/Identification Day will be a success. This will be a great opportunity for OCC to help people who have coins and currency that they need information on and to receive it in a non-commercial setting. We could use some more volunteers to identify items that are brought in to the Discovery Center March 31st. Please join those who have already volunteered to help out. We will have more information and a sign-up sheet at our next meeting. We will start advertizing the event in the next week or so. We have had a few of our members dealing with some health issues. Please keep them in your thoughts. I hope they will be back at our meetings soon.

Bob

Meeting called to order by Vice-President Nancy Redman. There were 26 adults and 10 youth for a **Total of thirty-six (36)**. Anyone that would like to run for a director, or knows of someone that would make a good candidate, please let one of the current directors know immediately. We hold nominations next month at our March meeting. We have reserved March 31 as "Evaluation Day" at Discovery Center. This will be similar to Antique Road Show. We need volunteers to help and provide knowledge in their expertise. Make sure to sign up to "support (y)our club". We need programs for this year's meetings. Anyone wishing to provide a program or have suggestions for possible future programs, please let a board member know. Everyone was reminded of the location change for Golden Eagles. The new meeting place is Golden Corral at 2020 E. Primrose. Dues are due and must be paid in order to vote in the election (and continue to receive Flying Eagle newsletter). Jim Guy reminded everyone about the ANA Trivia Challenge. See Jim for information how to help with this. March—Nominations April—ELECTION Club members voted on the date of picnic. It was a close call, but September received the most votes.

**Ozarks' Coin Club Board Minutes
Discovery Center
February 14, 2012**

PRESENT: Bob Stewart, Nancy Redman, Jim Guy, Jim Griffin, Bob Nicholson, Patti Kirk, and club member Shirley Nicholson.
THANK YOU: Thanks to Harry Waterson for his contributions to the Ozarks' Coin Club Library.
PIN/PATCH: In the near future, we hope to have a pin or a patch, with the club "logo" available to club members. More discussion at a future meeting to follow.
MARCH PROGRAM: Mr. Griffin will be doing a program at the March meeting on "Metal Detecting".
EVALUATION DAY: The club Evaluation Day will be 10-2 on March 31 at the Discovery Center. There will be a 6 coin limit per participant. Local dealers are going to be contacted and permitted to make their business cards/flyers available for a \$25 fee. Other items discussed were table set-up, radio and TV advertising, signs for tables and outside the building.
FACEBOOK: Nancy is working on placing the club on Facebook. Board members feel this would be a great way to help promote Ozarks' Coin Club.
SUMMER SEMINAR: 7 YN's are of eligible age to attend Summer Seminar, but only 2 are ANA members. Mr. Guy will be working to get more YN's up-to-date on their ANA membership so as to help them to meet Summer Seminar attendance requirements. Also, a representative of the club (yet to be determined) will be doing a presentation of how our YN program works at Summer Seminar.
PICNIC: The Ozarks' Coin Club picnic will be on September 8 at Ritter Springs. The fee was paid to reserve the space.
LIBRARY: The club has a number of copies of a book from ANA on the basics of coin collecting for the library. They will be especially helpful to new collectors and members and a wonderful addition to the library. Also, what is to be done with the multiple, old Red Books? Future discussion to follow.
BOLIVAR: The club will possibly be helping the Bolivar Boy Scout Troop with a coin collecting program.
TAXES: To retain our tax-exempt status, every year the Board must review and document in the minutes, if any conflicts of interest exist between the Board members and the Corporation. After review, we find there are none.
Respectfully submitted, Patti Kirk, Secretary

Golden Eagles

On February 14, the Golden Eagles met at the Golden Corral on *Primrose*.

Attending were Shirley and Bob Nicholson, Jim and Sandra Tower, Jim Griffin, Jim and Erma Brown, Annette and Bob Stewart, Jim and Pat Wells, Jim and Bunny Guy, Carol and Don Katzfey, John Palmisano, Harry Waterson, and Nancy Redman for a total of 18.

Harry enlightened us with different paperweights concerning Paramount's 100th anniversary. This was in relation to a previous presentation that Harry shared with our group. He also informed us of his "endeavors" being published. Way to go Harry !!

Don Katzfey donated a 1997 Liberia copper BU dollar with a panda, that Shirley Nicholson received.

Don also donated a box of chocolates and a 1973 New Orleans Mardi Gras token. Carol Katzfey's name was drawn. Since her husband donated, we drew again and Nancy was the lucky recipient.

Carol later received a copper George Bush medal that had been anonymously donated.

We will get together again on **March 13, 2012** at **1:00** at Golden Corral.

Obverse: Sacagawea carries her infant son in a sling on her back.

Reverse: A Native American man stands beside a horse while other horses run in the background among the words "United States of America" and "\$1."

Edge: The edge of the coin is incused with the coin's year, mint mark, and the national motto "EPluribus Unum."

2012 Native American \$1 Coin

This year's Native American \$1 Coin is about Native American trading and the pathways through the wilderness that the trading created. At one time, one of the most popular items to trade was the horse, so horses stand for trade on this coin. The Spanish brought shipments of horses from Spain among their first cargoes. They tried to keep them away from the natives of the New World, but gradually Spanish horses became American Indian horses. Some of the horses escaped into the wild, some were captured in raids, but eventually they spread across the land and changed the lives of Native Americans forever.

The horse's spread began in the West, from the area of Mexico, along Native American trading routes. The Navajo, Ute, and Apache got them from the Pueblo; the Comanche traded their horses to their northern kinsmen, the Shoshone. By 1700, horses had reached the northwestern tribes like the Bannock, Nez Perce, Cayuse, and Umatilla. To the east, trade routes brought them to the Missouri River tribes and the River and Mountain Crow.

What was a horse worth in a trade? In the early 1800s, you could get a good riding horse for 8 buffalo robes. A fine racing horse, on the other hand, could cost you 10 guns. Trading without money can get very complicated depending on going rates, how badly you want something, and what you have on hand to trade, but generally you could pick up a horse for, say, 3 pounds of tobacco, 15 eagle feathers, 10 weasel skins, or 5 tipi poles.

Why was the horse so popular? Among other reasons:

*Riding a horse was faster than walking.

*A horse could pull a much heavier load than a dog or a person could when it was time to move camp.

*Since a horse could outrun a buffalo, it made hunting easier.

Read more about the network of trade routes this coin honors at the bottom of the [Native American \\$1 Coins page](#).
