# **Ozarks' Coin Club Board Meeting**

April 13, 2021

Present: Kathy K, Nancy R, Jim G, Jim C, Judy C, Brian S, Dyan E and Greg U

Meeting called to order by our president Nancy R at 6:08 p.m.

2021 year's presentations:

May – You Tube presentation, Senior essay  
June - You Tube presentation, Senior essay  
July – Double Auction  
August –

Sept – picnic  
Oct –  
Nov –  
Dec – Banquet (hopefully)

We plan to have the May club meeting. Jim C will call the Discovery Center to see if they now allow snacks at the center. We will have beverages and snacks if the Discovery Center allows food and drink during the meeting. Hopefully, we will be able to have food and drink for the June meeting.

Judy C – Pizza Ranch – 25 single topping. \$14.00 each. CiCi's awaiting a call back. Domino's – single topping 10.69 each, supreme 13.29 each. Brian S will call Papa John's for a quote.

May board meeting – we will meet at the Discovery Center.

Jim G – July St. Charles trip. Jim will query the club again at the May and June meetings. ANA Trivia week April 18-24. We have 2 graduating seniors this year. Both seniors need to present their essays to the club. Gavin has requested to do his presentation in June.

Taxes have been completed and submitted.

Financials: March: Truman Carter Account: Beginning balance \$21,837.93; Expenditures \$851.80; Checks not cleared \$0.00; Deposits \$115.00; Interest \$0.18; Ending balance \$21,101.31

Brian S made a motion to adjourn the meeting. Jim C seconded the motion. The motion carried. The meeting adjourned 7:05 p.m.

Addendum: 4/14/21 Brian S has spoken to the person (at Community Foundation of the Ozarks') who is now over seeing our account. She stated the information we were given recently was incorrect. The account has grown "quite a bit". Brian has requested an account history.

## **The Year 1982:**

This was the YN program for the April meeting. These are numismatic events that happened in 1982.

- The first modern commemorative was minted. A half dollar commemorating the 250th anniversary of Geo. Washington birth.
- The mint stopped striking the SBA dollar after three years (1979-1981). Minted the SBA dollar one last time in 1999.
- The discovery of the no "P" Roosevelt dime on circulating strikes. These dimes were found mostly in northern Ohio.
- There were no uncirculated mint sets issued from either Denver or Philadelphia in 1982 or 1983. Souvenir sets were issued from both mints in specially packaged envelopes and sold only at mint gift shops.

**Join us May 4th for our meeting at the Discovery Center.  
Meeting starts at 6 pm.**

## Ozarks' Coin Club Minutes

April 6, 2021

Our monthly meeting was held at the Discovery Center.

Due to current Covid-19 restrictions we did not have a social hour, food or drinks. There were 29 adults and 17 youth present, for a **total of Forty-six (46)**.

The meeting was called to order at 6:03 p.m by our President Nancy R.

Nancy thanked everyone for coming.

We are hoping we can have the meetings routinely from this point on.

Nancy reminded everyone of Stanley Hamm's passing.

Everyone please pick up your new membership stickers.

We hope to start meeting for Golden Eagles in May or June.

Please let us know if you would like to give a presentation during 2021.

Jim G – YN auction was conducted.

- \*YN information letter will be sent home with the YN's.

- \*Missouri Numismatic Society will have their coin show the end of July. If you are interested in riding up on the bus to St. Charles please let Jim G know of your interest.

- \*Answers to the May assignment can be found in the March newsletter.

- \*National Coin Week – We would like to create a nice exhibit next year at the library.

- \*The ANA sends out trivia questions. We send in our response as club to the ANA. During the National Coin Week, you can join the ANA for \$5.00. Go to [www.nationalcoinweek.org](http://www.nationalcoinweek.org) for the weekly trivia questions.

- \*Seth and Hannah R were our new guests. They have requested an application to join the club.

Jim/Judy C – Incredible Pizza is no longer open on Mondays and Tuesdays. We will need to decide where we would like to order pizzas for the club meeting. Please let the board know if you have a favorite pizza place. Let us know their prices. We generally order 25 pizzas.

Election – By-law changes – were read aloud. Both by-law changes were approved by a show of hands.  
New officers: Mike R, Dyan E and Greg U

Drawing for the Certificate this month is worth \$15.00. Glynnise E name was drawn; she was not present. Next month's drawing will be worth \$20.00.  
Meeting adjourned at 7:40 p.m.

**Please remember the club meeting starts at 6:00 p.m. while we are observing social distancing.**

### **THE ST. CHARLES TRIP**

At this time, the Missouri Numismatic Society is planning to hold their annual coin show. The dates are July 22-24. Fisk Transportation will provide a 35 passenger bus. We would go on Fri. July 23. The club will provide each YN \$20 to spend at the show. Coming back, we stop in Cuba for dinner at the Mo. Hick Barbeque. OCC pays for the YN's meals. Who knows, there might even be drawings for coins on the return trip. Direct any questions or concern to your club advisor.

### **National Coin Week**

At the April meeting, the ANA club trivia 15 questions were given to some members. If anyone plans to participate in this contest please e-mail your answers to Jim G. at: [guy1962@sbcglobal.net](mailto:guy1962@sbcglobal.net). I'm sure with a good input we will get all the questions correct.

National Coin Week was April 18-24. I hope you were able to visit the ANA's website and participate in the daily trivia. If you haven't yet, there is still time to visit.

### **Editor's Corner**

On the way into work this morning, the ADHD squirrel that lives in my brain was running rampant. It was bouncing around from this newsletter, to custom lanyards, to a weird incident from when I was 10, to what to do after retirement. I know, it sounds scary in my mind! But after my normal breakfast stop, the squirrel became hyper-focused. See the car in front of me paid for my meal. I'd like to say I did the same. But some days, my mind doesn't do well with sudden changes. So I didn't pay that random act of kindness forward. But the rest of the drive to the office was focused on things I could do to pay it forward. And as I pulled into the office parking lot, I had the sudden thought 'this is your editorial!'

Random Acts of Kindness. How they can affect an organization or a person can be astounding. How can you help, even in a small way? A smile when you see someone whether you know them or not. Open a door for someone whose hands are full. Drop money into a donation jar. Donate items and time to a group. Spend time with a child and teach them about your hobby. The opportunities are endless. Recipients are endless. Our club has lots of opportunities for acts of kindness. Please consider donating items to our YN program. Or present a program on your favorite numismatic item for the adult meeting or the YN meeting. Now, I'll get off my soapbox and get back to retirement planning. It's a lot closer than you'd think!

Stay warm, dry and safe. Hopefully the rain will send soon and there will no more surprise snow. Hope to see you at the May meeting.

Dyan

### American Innovation \$1 Coin - Maryland

In 1990, NASA launched the Hubble Space Telescope. It is one of the largest and most versatile space telescopes. Teams at NASA's Goddard Space Flight Center and the Space Telescope Science Institute manage the telescope. The teams are in Maryland.

The Hubble Telescope flies around, or orbits, high above Earth and its atmosphere. This provides for a better view of space than telescopes from on Earth. Hubble takes pictures of space and uses radio waves to send them through air back to Earth. Scientists use these pictures to learn about the universe.

Hubble helped scientists estimate the age of the universe – almost 14 billion years old! Hubble observes comets and planets. It even discovered new moons around Pluto. It helps scientists understand how planets and galaxies form. It has also spots black holes and observes the birth and death of stars.

Did you know the Hubble Space Telescope was named after Edwin Hubble, an astronomer? Or that Edwin Hubble was born in Marshfield, MO?

Reverse: Shows the Hubble Space Telescope above the Earth surrounded by stars.

Obverse: Features the Statue of Liberty.
