## EDITOR'S CORNER

December is a wacky busy month for us. It seems like a lot of life's events are crowded in along with the holidays! But while this is a crazy busy month, one thing has remained firm throughout – family. So I hope you are able to spend time with your loved ones during the holidays.

Once we get past the holidays, we'd better buckle up because 2022 is promising a lot of changes for the OCC. And you can be a part of it all. We're looking for people to join our board and to help steer the direction the club moves in during the next few years.

Remember that January is when our YN auction is held. Also, remember that if Springfield Public Schools are closed due to weather, the club will NOT meet.

Until we meet again, stay safe, warm and healthy. And most importantly: Have a Merry Christmas and Happy New Year.

Dyan

Elections are coming up in April 2022. All positions are currently open. Be thinking about how you can help the club out.

### **HEROES NEEDED**

In 2022, Ozarks' Coin Club is going to see a lot of changes. EVERY position in our directory on the front page of the newsletter. We need to fill our Secretary, YN Advisor, Show Bourse for sure. We will also, have 1 to 2 Board of Director positions open.

For those that do not want to hold a position, we have spots for you too. We need someone to come in before the meeting to set up tables and chairs. We need someone to put out drinks and snacks for each meeting. And we need help with our auction. Our assistant has expressed a need to step down.

Be thinking of what you can do to help. Even if you cannot help full time, we'll take what you can do for us. HEROES keep the club running. Come be our HERO!!!

### **BOARD OF DIRECTOR DESCRIPTION**

We've put out the call for someone to fill our board of director spots. But what does a director do? I'm going to try to answer that question for you now.

The official job duties are: 1) attend meetings; 2) offer advice to the officers and 3) do what is needed. Unofficially the duties are more than that. But what are they?

So a day in the life of a director looks like this: Attend one board meeting a month. The meetings usually last 1 to 2 hours. In the meeting, you will discuss hot topics that the club faces and offer possible solutions. Plus vote on any of the topics that were discussed. A director will review the monthly bank statements and sign off on them and any 'invoices' that were paid out for that month. There are small tasks that you can step up and do, like get a quote on something or make a call for someone else. As a director, you will get to help steer the OCC to its future! You can make a difference in just over an hour a month.

Want to see what a meeting is like? Come join us. Our meetings are open to the general membership. We meet the 2nd Tuesday of each month at 6 pm in the club's room of the Discovery Center. If you come, use the red door on the McDaniel Street side of the building to get in. We look forward to seeing you there!

### George H.W. Bush Presidential \$1 Coin

George H.W. Bush's career in public service began when he served as a Navy pilot in World War II. After two terms in the House of Representatives and other political appointments, Mr. Bush was sworn in as the 41st President of the United States on January 20, 1989. He brought with him his vision of "a kinder and gentler nation."

Highlights of his administration include passage of the Americans with Disabilities Act and the Clean Air Act – landmark civil rights and environmental legislation. He also successfully advocated for and negotiated the North American Free Trade Agreement (NAFTA), which was later signed into law. President Bush also launched his "Points of Light" initiative, which promoted volunteerism and community service across America.

After leaving office, President Bush continued his commitment to service to others. He has helped raise hundreds of millions of dollars for charity. George H. W. Bush died on November 30, 2018, at the age of 94.

The obverse of this coin shows a portrait of George H.W. Bush.

The reverse displays a striking rendition of the Statue of Liberty.
