We start every meeting with a socializing period from 6:00 p.m. to 6:30 p.m.  
At 6:30 p.m., we start our membership meeting that consists of: Door Prize  
Drawings (Junior and Adult), General Business and a Short Program. We  
have a Live Auction (must be a member to enter items in the auction & limit of  
5 items per meeting) that begins at 7 p.m. YNs have their own  
meeting during the auction. We like to dismiss before 8:45 pm if at all  
possible.

## EDITOR'S CORNER

March is right around the corner. Which means that our April elections are coming up quickly! We need your help to fill the vacancies on our board. We need someone to fill the Secretary, Vice President, Board Member, YN Advisor and Show Bourse positions. Do you have it in you to step up? We hope so as we need you and your ideas desperately. There are a lot of changes coming up this year. Come be a part of them.

Hopefully, spring is coming soon. We've had some crazy weather this year. And more coming down today. Hopefully this will not affect our next meeting. But remember, if Springfield Public Schools are closed due to WEATHER, the OCC will not meet.

Until the March meeting, stay warm, safe, healthy and happy.

Dyan

## Ozarks' Coin Club Minutes

\*\*\*\*\*Our regular meeting for February 1, 2022 was cancelled due to COVID concerns.

### Annual Show Changes

Due to a variety of reasons, the tough decision was made to change the location, date and times for our annual show. We will be moving it to the Relics Event Center at 2015 W. Battlefield. The dates and times for the show will be Friday, 10/21/2022, from 12 pm to 6 pm, and Saturday, 10/22/22, from 10 am to 6 pm. Dealers will be able to set up beginning at 8 am both days. Change is never easy but we are optimistic that this will be a GREAT change for us!

### Open Positions

We have many positions open on our board. We need someone to fill the Vice President, Secretary, Board Member, YN Advisor and Show Bourse positions. Please consider filling one of these positions. Your help and new ideas would be greatly appreciated. Elections are in April. So please see a current board member to get your nomination form!

### 2022 Innovation Dollar - Rhode Island

The Rhode Island American Innovation \$1 Coin recognizes naval architect Nathanael Herreshoff's famous *Reliance* yacht, which incorporated numerous technical innovations when it was built in 1891. The coin's reverse design depicts the famous *Reliance* yacht at full speed in the waters surrounding Rhode Island. The design is bordered by a rope evoking the nautical scene. Inscriptions include "UNITED STATES OF AMERICA" and "RHODE ISLAND." The design was created by United States Mint Artistic Infusion Program (AIP) Designer Dennis Friel and sculpted by Mint Medallist Artist Phebe Hemphill.

The obverse (heads) of all coins in this series features a dramatic representation of the Statue of Liberty in profile with the inscriptions "IN GOD WE TRUST" and "\$1." It also includes a privy mark of a stylized gear, representing industry and innovation. AIP Designer Justin Kunz created the design, which was sculpted by Mint Medallist Artist Phebe Hemphill.

Incused on the coin's edge are "2022," the mint mark, and "E PLURIBUS UNUM."
