What a great show we had!!!!!!! Hope you were able to attend.

As usual, Nancy made the complex look easy. I think everyone had a good time and we are already making plans to improve it for 2012. Congratulations to Paul Hood for "Taking home the gold" as our raffle winner. Shirley and Bob Nicholson did a great job of keeping us fed and watered and the grandkids travelled many miles on the show floor helping our dealers. We also had a great crew this year setting up and tearing down.

Thanks to all who helped!!!!

Don't forget, The December Meeting is our Christmas Party. See you there!!!!

At the January meeting we will vote on the month for our 2012 Picnic. If you cannot be there, let a Director know when you would like it.

At that meeting we will also be talking about our "Community Coin and Currency Identification Day". The Board is looking at having it in April. We will need members to step-up and share their expertise with the community on numismatic items they have, but need help identifying. It will be setup like Antiques Road show with "experts" at tables helping to identify items. No buying or selling will be allowed. Security will be present.

We now have a display case in the Library. If you have items that belong to the club or ones you would like to donate please contact me. Also, if you have books or magazines that belong to the library, please return them.

If you have items you would like to donate to the library contact any Director. Remember, as a 501(c)3 corporation your donation may be tax deductible. Check with your tax preparer to make sure!!!

Our sign should be on the building in time for the Christmas party. Thanks for making it happen Jim Griffin!

WIN A FREE TRIP TO SUMMER SEMINAR IN 2013!!!!

To increase participation in OCC Club activities the Board is offering a free trip to Summer Seminar in 2013.

A NOTE FROM NANCY

Another successful show behind us and already thinking about and planning for the next one!! We had **MANY** hard workers help at the show. A **BIG THANK YOU** to **ALL** that helped!!! Remember that working at the show qualifies you for a chance to "Win a Trip to Summer Seminar". It's up to you to make sure your name is on the "sign in" sheet!! It's that time of year to be thinking about the weather. If Springfield schools are closed, we will **NOT** have a club meeting. Actually, if you feel it is unsafe to be walking or driving, please don't attempt it. We don't want anyone harmed trying to make it in. **COMMON SENSE!!!**

HAPPY THANKSGIVING to ALL!!

Our annual Christmas banquet is upon us.

We will *not* have an auction, and the YN's have *no assignment*.

The awards will be handed out and we'll have an awesome meal and visiting along with some entertainment!! We'll start setting up around one, if anyone would like to help. The club supplies meat and drinks, so please everyone attending bring 2 side dishes.

See ya there!!!

Dues are due in January. The application will appear in the December "Flying Eagle"

Coin of the Month

Obverse:

George Washington's profile is surrounded by the inscriptions "United States of America," "Liberty," "In God We Trust," a mint mark, and "Quarter Dollar."

Reverse: An image of the Lincoln Bridge is surrounded by the words "Chickasaw," "Oklahoma," "E Pluribus Unum," and "2011."

Chickasaw National Recreation Area Quarter

The Lincoln Bridge is just one of beautiful features of the Chickasaw National Recreation Area. But since the bridge is so central in the design of the Chickasaw National Recreation Area Quarter, it's a great place to start exploring the area's history!

The Chickasaw National Recreation Area became a national site in 1902. The first major development needed was a bridge across Travertine Creek. Work on the limestone Lincoln Bridge started in 1908. The bridge, named after President Abraham Lincoln, was opened on February 12, 1909, the 100th anniversary of Lincoln's birth.

After the bridge opened, more work was done to beautify the park, and the bridge soon became one of the park visitors' favorite scenic spots. Post cards made around that time feature several different views of the bridge.

The Lincoln Bridge has been a park landmark for more than 100 years now, and probably will continue for years to come. After all, it was designed to be "strong enough to hold up under the stress of a four-horse team at full gallop"!
