## JANUARY 2021

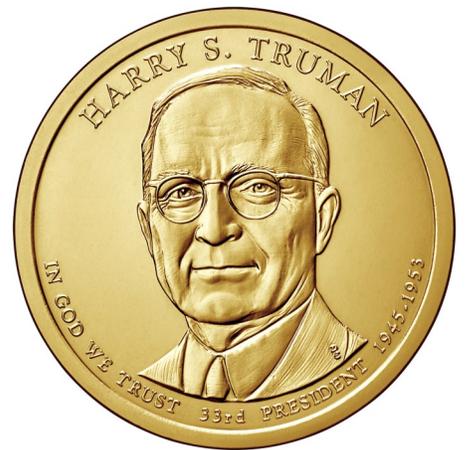

### January is brought to you by....

The **Harry S. Truman Presidential \$1 Coin**. Harry S. Truman, our 33rd president, was born in Lamar, Missouri, in 1884 and grew up on a farm in nearby Independence. After serving in the Missouri National Guard and the U.S. Army, he married Elizabeth Virginia Wallace and opened a haberdashery (a hat store) in Kansas City. He was elected county court judge before serving two terms in the U.S. Senate and then became vice president under President Franklin D. Roosevelt.

Truman faced difficult foreign and domestic challenges during his two-term presidency and it's said that he made some of the most crucial decisions in history. Truman had been vice-president for only 82 days when President Roosevelt died on April 12, 1945. Suddenly, a host of problems stemming from World War II became Truman's to solve. He told reporters, "I don't know if you fellas ever had a load of hay fall on you, but when they told me what happened yesterday, I felt like the moon, the stars, and all the planets had fallen on me."

Did you know that the term "whistle stop" campaign is from Truman, who made several extensive campaign trips by train during 1948, traveling through all sections of the country except the South? He made 275 speeches and traveled about 22,000 miles. Or that he appointed 18 women to high-ranking posts, including Georgia Neese Clark, the first female U.S. treasurer. Did you know that Truman signed the National Security Act of 1947, which created the Air Force and reorganized the military forces by merging the Department of War and the Department of the Navy into what is now known as the Department of Defense. The act also created the Central Intelligence Agency (CIA) and the National Security Council. In 1952, Truman created the National Security Agency (NSA)?

And did you know that as the only president from the great "Show Me" state, state employees are granted his birthday off every year? Now you know why your parents can't get their driver's license renewed on May 8th!

### YN Advisor Minute
