CELEBRITY COIN COLLECTORS

Many famous people collect coins like you do. While you haven't heard of many of them, I'm sure you're at least familiar with the part one of them (James Earl Jones) plays - Darth Vader.

Mr. Jones says that he collects because 'Each piece of money has a story to tell: the people, places and events portrayed on it, who made it, how it was made and why it was made.' He feels that 'money is history you can hold in your hands!'

I don't know about you, but if coin collecting is cool enough for Darth Vader, it's cool enough for anyone and everyone!

Editor's Say

I hope everyone got what they were wanting at the YN Auction. If you did not, I hope you got some really great deals. Our February meeting has been cancelled. So be sure you bring both your January and February assignments to the March meeting. Also, bring your Summer Seminar applications if you are eligible for the trip this year. Hope to see you all in March.
